DBI SPORTS MANAGEMENT

Jake Newman (CAN)

W/F 6'7" (200cm) / 220lbs (100kg)

Univ. Victoria '19

Jake is combo 3/4 that can play both positions equally well. He has a very high basketball IQ and great court vision, as he makes his teammates better around him.

He is a very good two-way player, who's able to score from both the perimeter and in the paint, and able defend multiple positions on the other end of the court. He is a 3/4 guard, wing, and slasher with perimeter skills and creates mismatches at either position he plays. He is a good perimeter shooter that is also able to attack the basket off the dribble to create scoring opportunities for himself or others. His passing and court vision make him a very good "point forward" and he is comfortable running the offense as well as playing out of it.

A natural 3/4 position player, this season Jake has been asked to play the 4/5 much of the time. He is coachable and willing to whatever he can to help the team be successful. He will lead by example on the court as well as in the community.

Jake returned to KaU Koris Karkkila for the '22-23 season, where he finished 2nd in Reb, 9th in Scoring & 7th in Efficiency/game (7 games min.) in the League. He also led his team in Scoring, Reb, Assists, Minutes & Efficiency per game. He was named All-League 2023 by the league and Eurobasket.

He is the nephew of former Canadian National Team player ('84 Olympics) & German National Team Coach, Gordon Herbert.

SEASON	LEAGUE	TEAM	GP	MIN	PTS	FG%	3%	FT%	REB	AST	STL	BLK
