Jake Newman (CAN)

W/F 6'7" (200cm) / 220lbs (100kg)
Univ. Victoria '19

Jake is a very good two-way player, who's able to score from both the perimeter & the paint, & able defend multiple positions. He is a 3 /4 guard, wing & slasher with perimeter skills & creates mismatches. He is a good perimeter shooter that is also able to attack the basket off the dribble to create scoring opportunities for himself or others. His passing & court vision make him an very good "point forward" as he is comfortable running the offense as well as playing out of it. He has been often asked to play the 4/5 position. He is coachable & willing to whatever he can to help the team be successful. He will lead by example on the court as well as in the community.

'23-24: Jake was **the leading rebounder on the team**, despite ranking 4th in minutes played on the team. After the holiday break, his minutes were drastically reduced when he was offered a job in another country, yet was unable to leave. He returned & continued to play well for the team, helping them into the playoffs.

Jake returned to KaU Koris Karkkila for the '22-23 season, where **he finished 2nd in Reb, 9th in Scoring & 7th in Efficiency/game (7 games min.) in the League. He also led his team in Scoring, Reb, Assists, Minutes & Efficiency per game. He was named All-League 2023 by the league and Eurobasket.**

He is the nephew of former Canadian National Team player ('84 Olympics) & German National Team Coach, Gordon Herbert
